5<sup>th</sup> July 2023

Dear Parents/Carers

As you know the NEU has called for its members to take industrial action both today and Friday. This dispute is between the NEU and the government. Our initial plans were to attempt to have at least one day of in school provision for all children during this time. Unfortunately, due to health and safety issues we will not be able to carry out our initial plans for Friday 7<sup>th</sup> July.

Therefore, on Friday we will only be able to offer in school provision for **Year 10 students only**. The academy will be closed to students in Years 7, 8 and 9. I do apologise for the late changes to these plans and the inconvenience this causes. This decision is due to circumstances outside of our control. We will offer online resources for students to continue learning and we look forward to welcoming all students back to the academy on Monday 10<sup>th</sup> July.

It is my sincerest hope that the professional organisations and the government will be able to come together to resolve this dispute soon so our children can be in school where they belong. Again, I do apologise for this late change to our plans.

Yours sincerely

Richard McGuire  
Principal
