KW/LW

30th June 2023

Dear Parent/Carer

Morton Academy Sports Day

Our Morton Academy Sports Day will be taking place on Thursday, 6th July 2023.

The day will consist of students participating in two practical activities on the field during Period 1 and Period 2, where they will be competing for house points. All pupils will also have the opportunity to sign up for athletics events which will be taking place on the grass athletics track at the same time. If they sign up for athletics events, they will be invited to the athletics track at allocated times throughout the day, then return to their team activities.

All pupils will attend the Academy as normal at 8.35am. All children should attend in their Morton Academy PE kit or alternatively tops/shorts in the colour of their house (if preferred). These must be appropriate for participating in sport and physical activity.

House Colours:

Luguvalium – Red

Valentia – Yellow

Hadrian - Blue

Students will also be expected to wear appropriate non-slip footwear and may also want to bring sunscreen and plenty to drink throughout the day.

Regrettably, we will be unable to host any family members for Sports Day due to the logistics of the day and the timetable being in line with every other school day. Pupils will be moving around various locations in the Academy and will not be situated in one specific area. We understand that this may be disappointing for those who wished to support their children on the day but I trust you understand that having a large number of visitors on our Academy site creates safeguarding implications. The safety of all our pupils is paramount and although family support is hugely appreciated by staff and pupils alike, this is the only way to ensure this on the day.

Yours sincerely

K Wilson
