RMCG/KRE

9th June 2023

Dear Parents/Carers of Year 10

Please find attached a copy of the exam timetable for the next set of assessments for Year 10. Unlike Years 7, 8 and 9 these are not end of year assessments but the start of the preparation process for the GCSE examinations in summer 2024. Students will be sitting exam papers across all their subjects either in the exam hall or in lessons depending on the course. It is important that students are revising for these assessments and attending any opportunities their teachers are offering in order to prepare for the assessments.

Following the assessments, we will be inviting you to come into the academy to receive your child's results and to consider the next steps required to maintain or improve grades. We will also discuss your child's planned next steps and what we need to do together to make sure they are on track for their intended destination whether it be 6th Form, College or Apprenticeships.

If you have any questions regarding the assessments, please contact Mr Simon Little (simon.little@rrma.org.uk).

Yours sincerely

Richard McGuire
Principal
