Dear Parent/Carer

Lake District and Local Fieldtrips

As you are aware your child is studying the Geography AQA GCSE course. As part of the course, all students are required to attend a field trip to the Lake District. The trip is a river study, and your child is required to collect data for their GCSE exam. This will also enhance their learning and personal development of the subject. The trips will take place on the Tuesday, 4th, Wednesday, 5th and Thursday, 6th July, your child will only attend one of those days. We will let you know the date that your child is attending nearer the time.

In addition to this, students will attend another mini fieldtrip. This will consist of a short walk from the Academy to look at some local housing developments and the impacts that they may have on the economy and the environment. This will take place during one of their geography lessons.

Please can students arrive at the Academy at 8.00 am for the trip that takes place in July. We will return to school at approximately 4.00 pm. We ask that all students make a voluntary contribution of £15.00 to cover the cost of the transport and staffing. If we do not receive enough voluntary contributions, unfortunately the trip will not be able to go ahead. Please ensure payment is made no later than Friday, 23rd June 2023.

As the trip is a river study students will require the following:

- A packed lunch and plenty to drink (preferably water).
- Activity clothing: light-weight clothes, eg tracksuit, leggings, jumpers, t-shirts etc. (These clothes will get wet so please, no heavy clothing as it is not appropriate).
- Wellies would be most appropriate but old trainers may be used. (Remember your feet are going to get wet!).
- A spare set of clothes and towel to change into at the end of each day.
- A warm/waterproof jacket or sun cream depending on the weather – as geography students we should be able to read a forecast!

As stated, this is a basic but adequate list, if you feel more is practical or required, please feel free to pack accordingly for each day. It must be stressed that it is 'field work' so practical clothing is the best as opposed to 'fashionable' attire. All specialist and safety equipment will be provided by the school, and we do have an amount of outdoor equipment (fleece/wellies etc) that can be borrowed by prior arrangement.
