Dear Parent/Carer

EDF Nuclear Power Station Visit

I am delighted to inform you that your child has been selected to attend a visit to EDF’s Nuclear Power Station in Heysham, Lancashire. This will take place on Tuesday, 31st October 2023. The purpose of this visit is to allow students to gain an understanding of how the concepts they have learned in their Year 9 “Atomic Structure” topic can be applied beyond the classroom. Students will also gain an understanding of the career opportunities that exist within this sector.

Students will be required to attend school at 8.00 am, arriving back approximately 3.45 pm. All students will meet for registration in the Atrium. Students must be in full school uniform and will require a packed lunch and plenty to drink, enough to last them throughout the day. If your child requires medication, please ensure you contact me at the Academy.

For the trip to go ahead we ask for all students to make a voluntary contribution of £16. Unfortunately, if we do not receive enough contributions, the trip will not be able to go ahead. If there are any issues with payment and you would like your child to attend the trip, please don’t hesitate to contact me on the email address below. All monies are to be paid via Parent Pay, if you are unable to access Parent Pay please contact the Finance department.

Payment must be made by Monday, 16th October.

If you would like your child to attend the trip, please complete the permission slip below and return to reception by Friday, 13th October.

Should you have any further questions please do not hesitate to contact me at gavin.parker-smith@rrma.org.uk.

Your sincerely

G Parker-Smith

Mr Gavin Parker-Smith
Lead Teacher/ Second in Science

.....
Permission Slip: Please return to the Academy reception no later than Friday, 13th October.

EDF Nuclear Power Station Visit

I give permission for my child: Tutor Group:
