Dear Parent/Carer

We are really looking forward to your son/daughter joining Morton Academy in September. You will have received some information regarding what to bring to school in September, in terms of equipment. One of the things that we are now asking students to bring is a reading book, which will be used once a week during tutor time reading. If your child has a reading book that they can bring from home, please do encourage your child to bring it with them. If you don't have any reading books at home, please do not worry as your child will be able to borrow one from the library. The expectation will then be that students always have a reading book available to them that should be stored in their bags.

If you have any questions, please ask.

Yours sincerely
