Dear Parent/Carers

We are offering some small group tuition in Maths and English to support children achieve their personal targets. As such, your child has been selected to be part of the Autumn Term tutoring sessions. Each session is bespoke to the children's ability, so there are focus groups working towards grades 4, 5 and 7 in both Maths and English.

This will mean your child will miss one of their PE lessons in their fortnightly timetable, however, they will still attend their other PE lesson.

If you have any queries about the above, please do not hesitate to contact me at the academy.

Yours sincerely

Andrew Harding
Assistant Principal
