This is a requirement of the DFE. Your consent is required for Inspira to share this information back with your school so the school can fully evaluate their careers programme and to continually improve their careers offer.

You **may** also be contacted if we are unsure how you are doing in your education or employment. Each contact will take no more than 5 minutes.

Your data will be kept in strictest confidence. It will only be published in an anonymised format so your personal details will remain private. All data collected will be stored in accordance with the relevant privacy notice (<https://www.rrma.org.uk/privacy>)
