

November 2024

Annual Parent and Pupil Surveys

Dear Parent/Carer,

Your school is part of United Learning, a group of over 100 schools across England and we believe that however good we are, we can be better. For this reason, we run an annual parent survey so that we can understand your experience as parents/carers of a child at Morton Academy.

Your child's school will share a link with you via letter and Arbor to invite you to take part in our 2024 online survey, which opens on Monday 4th November. This should take no more than 15 minutes to complete. We are interested in your views on a range of areas including how the school communicates with you, how you support your child's learning at home and your relationship with your child's school.

The survey is run by an experienced survey company called Edurio. Your school will not be able to identify you from your response, unless you write something in one of the free text boxes that identifies you or your child by name. To read our privacy statement in full, please click [here](#).

A pupil survey will run alongside the parent survey, giving young people the opportunity to share their experience of being a pupil at Morton Academy. All pupils will be given time to complete this survey in school.

The parent survey has been translated into seven languages identified as those most widely spoken across our schools: Arabic, Bengali, Polish, Romanian, Somali, Urdu and Indian Punjabi. Should you wish to hear the above information in these languages, or in English, please find relevant links on the reverse side of this letter.

Thank you in advance for taking the time to give your feedback. If you have any difficulty accessing the survey or if you have any questions, please contact your school who will be able to help you.

With best wishes,

Jon Coles
Chief Executive Officer, United Learning
