25<sup>th</sup> September 2023

Dear Year 11 Parents/Carers

I would like to invite you to the academy on Monday 2<sup>nd</sup> October for a Year 11 focussed series of presentations from Senior Leaders to help support you as parents as your child approaches their GCSE examinations. There are 234 calendar days until the start of the summer exams which equates to around 135 school days or 400 lessons give or take a few.

Our presentations will be designed to give as much information as possible about how the exams work and how grades are awarded, the calendar for assessments and deadlines and what revision strategies our highest performing students used. The presentation will last around 30 to 40 minutes and will be held at two different times to make it as easy as possible for you to attend.

Please use this link: [Year 11 Parental Session Sign Up Form](#) to register your attendance and session time. We will also require you to sign the exam declaration form to allow us to enter your children for the summer exams which we will do as part of this meeting.

I really hope you can attend, and I look forward to welcoming you to the academy soon.

Yours sincerely

Richard McGuire  
Principal
