Dear Parent/Carer

National Week of Knife Enforcement 13th - 19th May

Carlisle West Neighbourhood Police team will be visiting the academy week commencing 13th May as part of their national week of knife crime enforcement (Op Sceptre).

The main aim of their visit is to teach our students about the dangers and risks of knife crime and to wand/search bags as the students enter the school building. This will show our students the police are robust about knife crime in schools and that they have the powers to do these types of searches under the Education Act.

If you have any questions regarding the above, please do not hesitate to contact the academy.

Yours sincerely

Richard McGuire
Principal
