2nd September 2024

Dear Parent/Carer

At Morton Academy we use the SatchelOne home learning platform. The purpose of this software is to support students in organising their home learning activities whilst also providing parents and carers with a real time overview of the tasks set and whether earlier work has been completed.

SatchelOne offers both a website (www.satchelone.com) and mobile application which can be downloaded and used by parents and students. Students will have been guided through logging on by their Computer Science teachers, however, students often forget that they must select “**sign-in with Office 365**” and then use the sign-in details that they have been given in class (eg dave.jones@student.rrma.org.uk and their school password). Our staff will continue to practice logging in with Year 7 students so that they become proficient in using these details, so please don't panic if your child is not yet able to access this platform as smoothly as you would first wish.

Or log in with:

Sign in with Office 365

SatchelOne allows parents to create their own login details to allow for the monitoring of homework completion and **I have included individual parental log in details with this letter**. Guidance on how to log on as a parent is attached to this letter and for further support you may visit <https://help.satchelone.com/en/articles/5472656-parent-video-guides> where you will find a selection of short videos which I believe you will find very useful. **Please note** that parental access codes are only valid for a brief time period so please do set up your account as soon as possible.

Should you have any queries or concerns, please contact your child's Form Tutor in the first instance and we will get back to you as soon as possible.

Yours faithfully,

Mr Parker-Smith
Associate Assistant Principal

Step 1 – Open your app of your device.

Step 2 – Search for the school – This can also be done by the school's postcode.

Hint: if you can't find your school by name, try searching for its postcode

Step 3 – Select Login with Pin or Parent Code.

I already have an account

Log in with email or username

I do not have an account yet

Log in with PIN or Parent Code

Step 4 – You can enter a new pin or recover an existing account you may have had in the past.

Your PIN or Parent Code can be found on the login letter you received from your school.
