RR/KRE

4th April 2025

Dear Parent/Carer

We would like to draw your attention to some good Easter reads! Please see the flyer attached. Reading is an excellent way for your child to relax and have time away from devices and the pressures of the modern world.

The importance of reading really cannot be underestimated. Evidence shows that reading for pleasure can benefit a child's education, social and cognitive development, their wellbeing and their mental health.

As a school we do a lot to promote reading across all year groups, so please support us by encouraging your child to read over the holidays.

Have a lovely Easter break!

Yours sincerely
