Dear Parent/Carer

## Half Termly Report

As we communicated earlier in the term, we will be sending a half termly report to keep you up to date with your child's attendance, behaviour and progress. We will also be sharing with you the curriculum topics your child will be studying in the next half term.

As it is the first report of the year we will not be reporting progress as it is a little early to do this but the second report in January will have more detail on academic progress. You will receive an electronic copy and your child will be given a hard copy to bring home.

We are increasing the amount of information sent home as a result of the feedback from 2021's Parent Survey. We hope that this will help you to feel more involved in what your child is learning at the academy. We would also encourage you to follow the academy's Facebook page for more information on day-to-day life at the academy.

If you require any further information regarding the half term report, please do not hesitate to contact me.

Yours sincerely

Andrew Harding  
Assistant Principal
