Dear Parent/Carer

CyberFirst Empower Event

I am delighted to inform you that your daughter has been selected to attend the CyberFirst Empower Event at Energus Workington. This will take place on Thursday, 29th February 2024. Students will leave the Academy via coach at 9.00 am, all students are expected to arrive in school at the normal time of 8.35 am. Students will arrive back to school approximately 3.20 pm.

This event has been organised by Energus to give girls the opportunity to delve into the latest technology innovations and participate in various workshops. They will also engage with the world-leading tech organisations and listen to the professional women in the STEM field.

There is no cost for the trip, but students will require a packed lunch and drinks, enough to last them the full day. All students are required to wear full school uniform, any student that arrives to school with incomplete uniform will not attend the event.

I'm sure you will agree, this is an amazing opportunity for your child, especially when only a certain number of schools have been selected to attend the event.

If you would like your child to attend, please complete the permission slip below and return it to Mr Zasadzinski, no later than Friday, 19th January 2024.

If you have any queries, please don't hesitate to contact me at the Academy.

Yours sincerely

T Zasadzinski
