RR/KRE

5<sup>th</sup> February 2021

Dear Parent/Carer & Students

National Apprenticeship Week runs from 8th February to 14th February and I wanted to make you aware of some opportunities that may be of interest.

- Carlisle College are offering a live online information session to all students interested in finding out what is on offer from them for 2021. The date of the session for Morton Academy students is the 10<sup>th</sup> February at 12 noon. Please use the following link to access this session: <http://bit.ly/3q5ABp8>. All presentations will be delivered via Microsoft Teams Live Broadcasts for security and safeguarding purposes. For more information on how to watch a live event as an attendee, please find an instructional video here: <https://www.youtube.com/watch?v=316Bb8cgHMw>

If any student is unable to make this session, please contact Carlisle College directly for more information.

- Some local apprentice providers include <https://www.gen2.ac.uk/> and <https://www.rwp.co.uk/> and <https://cumbria.gov.uk/jobsandcareers/apprenticeships/default.asp> These websites are worth looking at for local opportunities.
- There is a lot of general information about apprenticeships outlined in the attached document, NAW general information.docx. I am not suggesting that you follow every link, simply click on any that are relevant to you. Also, attached is a list of events that are taking place nationally over the course of the week. Again, please just look at what you may be interested in.

If you have any questions, please do not hesitate to get in touch with me at the academy.

Yours faithfully

*Rachel Robinson*
