Dear Parent/Carer

We are delighted to let you know that our Tuition Partner, Capital Tuition Group, is offering **our** students **Free GCSE Maths Masterclasses**. They will take place virtually on the **weekend of 13th/14th September** and your child can select the most appropriate time. These are specifically designed for GCSE students.

This is an exciting opportunity, but places are limited and allocated on a first come first served basis, so I suggest signing up at your earliest convenience.

By joining the sessions your students will receive:

- **75 minutes of FREE GCSE Maths tuition**, taught by Senior Examiners and Subject Leads - students will learn essential top tips to boost their grade!
- Parent Q+A for the last 15 minutes where you - the parents - can chat with experienced teachers about how to best support your child through their GCSEs.

Please find our Free Maths Masterclass e-flyer for more information and visit

<https://www.capitaltuitiongroup.com/gcse-masterclass> to join!

If you have any questions about the above, please do not hesitate to get in touch.

Yours sincerely

Lisa Bewley
Vice Principal
