Dear Parent/Carer

Year 11 Vocational Examination Arrangements

The Department of Education have confirmed that vocational exams will go ahead as planned:

Date	Time	Qualification
Tuesday 12th January 2021	9:15am – 10:30am	OCR Engineering
Thursday 14th January 2021	9:15am – 11:00am	Hospitality and Catering

The procedure for these exams is as follows:

- Students arrive at 9.00am in FULL school uniform including a face mask.
- Enter the school grounds via the main entrance through reception.
- Students should line up outside the main entrance, wearing their mask and ensuring they are socially distanced.
- On entry, students will be escorted to the theatre where they will be told their designated exam desk. Desks will be set 2 meters apart.
- At the end of the exam students will be escorted via the fire door, wearing their mask and should leave the school premises immediately observing social distancing rules.

This is great news as it gives students the opportunity to sit a formal exam that will contribute to their final GCSE grade. Students should ensure they use the next few days to continue revising. If you or your child have any questions, or requires any support, please do not hesitate to contact myself or their subject teacher via email.

If you have any questions regarding the mock exams, please do not hesitate to contact me at school.

Yours sincerely

Andrew Harding
Assistant Principal
