Dear Parent/Carer

It has been brought to our attention by local police officers that a small number of students are engaging in anti-social behaviour in the Hutton Way area on the way home from school. This includes causing disturbances in shops, riding bicycles in an unsafe way and generally not contributing positively to our local community. The police will be sharing names of students involved with the academy and if it appears that students are identifiable as academy students then they could be subject to significant sanctions from the academy. Anti-social behaviour in our community is not welcome and I will fully support local police, residents and businesses to tackle this.

I am very proud that the vast majority of our students live in Morton and attend their local school. I ask for your support with this in terms of having clear conversations with your own children regarding how they represent themselves, their family and their school.

Yours sincerely

Richard McGuire
