

Morton Academy

The best in everyone™

Part of United Learning

RMCG/KRE

12th March 2020

Dear Parent/Carer

I think it is important that I keep updating you as to the current situation with Covid-19 and the academy. We continue to have no links to the virus and therefore Public Health England's advice to the academy remains unchanged. As you will know other local schools are considering how they react and one secondary school has closed. We will remain open until advised otherwise. I understand that this will be a very anxious time for parents and students but again be assured that my main priority is the health and safety of everyone linked to the academy and I will act accordingly.

In terms of planning for the future I met with key staff today to ensure that the academy is prepared for any eventuality. It is likely that sports fixtures will be postponed. Currently none of our trips are under threat but advice may change this. We will let you know immediately if there are changes. Please contact the academy if you have any concerns or queries, as you know this is a developing situation for all of us. We will use the academy website and Facebook page to send information if needed.

Please take care of yourselves and keep well.

Yours sincerely

Richard McGuire
Principal
