

MOR/TR

13<sup>th</sup> March 2024

Dear Parent/ Carer

## **Rotary Technology Challenge**

Your child has been chosen to represent the Academy in the 2024 Rotary Technology Challenge, this will take place in Rockcliffe Community Centre on Friday, 22nd March 2024. Students have been selected for their aptitude in DT and it is also an excellent opportunity for them to design and build a solution to an engineering problem set by the Rotary Club in competition with other local schools.

We have arranged a mini bus for transporting students to and from the venue but we can only transport 14 students at one time, which means we will make two separate journeys. Students will therefore leave and return at different times. If any year 10 parents are available, I would appreciate if you could drop off and collect your child at Rockcliffe Community Centre. If you can do this, please could I ask you to contact me at the Academy. If this is not possible Year 10 students will need to be at school for 8.10 am prompt and Year 7 to 9 students will arrive to school at the normal time of 8.35 am, attend tutor for registration then meet in the Atrium for 8.40 am.

All students are required to wear full school uniform and they will also need a packed lunch and drinks, enough to last them throughout the day.

If you would like your child to attend this event, please complete the permission slip below and return it back to Mr O'Roarty no later than, Tuesday, 19<sup>th</sup> March.

If you have questions, please don't hesitate to contact me at the Academy.

Yours sincerely

MO'Roarty

Mike O'Roarty Subject Leader for DT

Permission slip, please return to Mr O'Roarty, DT Department, no later than Tuesday, 19<sup>th</sup> March 2024

## Rotary Technology Challenge, Rockcliffe Community Centre

I confirm that medical and contact information are as currently held by the school.
