

ME/KRE

13th September 2019

Dear Parent/Carer

Once again, the staff at Morton Academy would like to share with you the exciting range of Co-Curricular clubs that are occurring from Monday 23rd September until Christmas.

I am sure you will agree that there is something for everyone and we hope that your child will pick as many clubs to attend as possible.

The Co-Curriculum is designed to enhance pupil opportunities throughout their time at Morton Academy, we provide clubs that can help with: homework, clubs that develop academic skills throughout KS3 and KS4, sports clubs and clubs that provide opportunities that are not available within the current curriculum. We do this so that pupils can enjoy the widest range of possibilities open to them.

Children can attend one club per day (not including lunch time clubs which can also be attended). However some clubs are limited in size so I am going to ask that you discuss the options available with your child and tick the clubs that they wish to attend (one per column).

If you could then return this letter to myself with the student's name and tutor group clearly printed at the top of the page.

If a club is over-subscribed, I will contact your child and ask them if they would like to attend an alternative. When the registers have been compiled, they will be shared in tutor time so that students know which clubs they have been allocated, they can then share this information with yourselves so you know which evenings your child will be finishing school late.

Students cannot change clubs until after Christmas (where a new batch of clubs will be offered), nor can they just attend unless they have completed their form (unless they have seen me first) as I need to populate registers etc.

The deadline for this is Wednesday 18th September – forms can be handed in to Student Services (located at the top of the stairs on the first floor).

Once again, I appreciate your support in making the co-curriculum a huge success.

Yours sincerely

Mark Evans
Assistant Principal (Curriculum)
