

Morton Academy

The best in everyone™

Part of United Learning

RMCG/KRE

15th December 2021

Dear Parents/Carers,

As you'll know I take great pride in Morton Academy being a community school that serves our local area. One of our great strengths is that our students live nearby and can walk to and from the academy. Another of our strengths is the amount of staff who send their own children to the academy and also live in the local area. Unfortunately, we have had a few instances recently of students behaving in an anti-social way towards staff, their families and their property outside of school. I'm sure you will agree that this is completely unacceptable and will share my shock that this has happened.

The police have been made aware and we will remove students from the academy if they are found to have behaved in this way. I would like to ask all parents to ensure that they know what their children are doing outside of school and to reinforce the message that any such behaviour has no place in our academy community. The actions of one or two individuals will not be allowed to tarnish the wonderful and well earned reputation of the vast majority of our students.

Thank you for your continuing support.

Yours sincerely

Richard McGuire
Executive Principal
