

Morton Academy

The best in everyone™

Part of United Learning

RMCG/KRE

17th September 2025

Dear Year 11 Parents/Carers

I would like to invite you to the academy on Monday 22nd September for a Year 11 focussed series of presentations from Senior Leaders to help support you as parents as your child approaches their GCSE examinations. Our presentations will be designed to give as much information as possible about how the exams work and how grades are awarded, the calendar for assessments and deadlines and what revision strategies our highest performing students used. Jo Tait, the Operation Careers Lead, from Enterprising Cumbria, will also do a session on labour market information and where students can get support. The presentation will last around 30 to 40 minutes and will start at 5:00pm.

There are 234 calendar days until the start of the summer exams which equates to around 135 school days or 400 lessons give or take a few.

Please use this link: [Y11 Info Evening Sign Up](#) to register your attendance. We will also require you to sign the exam declaration form to allow us to enter your children for the summer exams which we will do as part of this meeting.

I really hope you can attend, and I look forward to welcoming you to the academy soon.

Yours sincerely

Richard McGuire
Principal
