I have arranged with Year 11 students that following each exam we have a 10 minute period of time allowed for students to use their phones to contact you about how their exams have gone just so you are aware. It is also important that students remain in school uniform until the exam period ends, I do not want any negative issues to distract them from their exams or endanger their participation in end of year events.

I hope all Year 11s have a nice weekend. Keep up the revision and make time for rest. Thank you again for your support!

Yours sincerely
