24th April 2026

Dear Parents and Carers

My name is Kevin Slater, and I am delighted to introduce myself as the new Director of Maths at Richard Rose Morton Academy. I am very much looking forward to working with our students, staff, and families to further support high-quality mathematics education and help every student achieve their full potential.

Since the start of term I have had great pleasure in teaching a number of your children and I am taking as many opportunities as I can to visit other students in maths lessons to get to know them and see the progress they are making.

If you have any questions about your child's maths then as always their own teacher should be your first point of contact but please feel free to contact me if further support is needed.

I look forward to meeting many of you over the coming months.

Yours sincerely

Kevin Slater
