Dear Parent/ Guardian

STEM Day

Your child has been chosen to take part in a STEM day organised by the Institute of Engineering and Technology as a reward for their effort and attainment in Design and Technology. They will be part of a team of 6 who will compete against other teams in an engineering challenge which will take place on Tuesday 6th June. This is a whole day activity where students will be based in the sports hall, all equipment and resources are provided by the IET.

Students are required to bring in a packed lunch (those on FSM will be given a grab bag provided by school).

I would like to congratulate all students for their excellent attitude and hard work.

Yours sincerely

M O'Roarty
