28<sup>th</sup> April 2023

Dear Year 11 Parents/Carers

Once again I wanted to write to you to keep you up to date with everything we are doing in the run up to the GCSE exam series this summer. Thank you to all parents who attended the SLT Parents' Evening on Wednesday, the vast majority of students have made good progress since the last set of Mocks and with a real final push can achieve real success.

I want to say a massive well done to the GCSE PE students who completed their moderation day on Wednesday. They were brilliant ambassadors for the academy, and I know Mr Evans and the PE team were very proud of them.

Attendance to the morning sessions for English and Maths has been very strong, they occur as follows:

**English:** Monday and Wednesday 8.00am – 8.35am (open to all) – Mrs Craig

**Maths:** Tuesday, Wednesday, Thursday, Friday (Higher students) – Mr Little

Please do encourage your child to attend if they can.

Next Week:

Week	Monday	Tuesday	Wednesday	Thursday	Friday
1 <sup>st</sup> May	Bank Holiday	NEU Industrial Action Year 11 in as normal			

Students should continue to be in a routine where they are revising every night. As much as they might not want to, the work done at home will have the most significant impact now. But they must also have balance. I would expect at least two/three 30 min sessions on different subjects with time built for rest (and fun!) would be ideal at this stage. Students have access to a variety of online and written resources to use. Please do use the revision timetable that we provided earlier in the year to organise.

As I have written in previous letters if you want to ask any questions or have any queries, please do get in touch with me via [Karen.Reay@rrma.org.uk](mailto:Karen.Reay@rrma.org.uk).

Apologies if I am over-communicating, but I want to make sure I am providing you with as much information, reassurance and encouragement as possible. Thank you again for your support.

Yours sincerely

Richard McGuire  
Principal
