RR/KRE

29th April 2021

Dear Parent/Carer

Thank you for your support so far in ensuring that students are taking the lateral flow tests and reporting the results. It is very much appreciated. The DfE have clarified that it is essential for all eligible persons to continue to test at home. They state that those eligible should:

- Continue to test twice a week at home, to find and isolate any positive cases.
- Report results online as positive, negative or void. This information is critical in helping us to understand the prevalence of the virus across the country.

Students have therefore been issued today, with a LFT kit to take home containing seven tests. As a reminder, the result of each test needs to be reported using the NHS Test & Trace self-report website: <https://www.gov.uk/report-covid19-result>.

In addition to this, parents will also need to tell the school the result of the test, whether it is positive/negative, by completing the following quick form: <https://forms.office.com/r/2BF0z3qaS0>. For ease, this link will also be present on the school website.

As stated in my previous letter, I would suggest that the tests are done on a Sunday evening and on a Wednesday evening.

Thank you again for your support.

Yours sincerely

Rachel Robinson
