

Central Academy

The best in everyone

Part of United Learning

GPR/LFA

5th December 2022

Dear Year 11 Student

Sixth Form Open Evening – Thursday 5th January 2023

I am writing to invite you to our Central Academy Sixth Form Open Evening, which takes place on Thursday 5th January, 4:30 - 6:30 pm. This evening will include presentations from Mr Markham (Principal) and Mr Priestley (Assistant Principal) providing key information about our curriculum offer and wider enrichment opportunities, as well as the application process moving forward. There will then be a chance to visit subject areas to gain a detailed insight into the courses we offer that provide a pathway to higher education, apprenticeships or directly into employment.

Our aim is to equip our students to take up their place in the world, whatever that may be, by providing an education rooted in Central Academy values and United Learning principles. We offer a wide range of Level 3 courses that enable our students to progress towards their goals and shine on the world stage of their choosing. We seek to develop the attitudes and skills essential to success in 21st Century Britain through our teaching, enrichment opportunities and pastoral care, and by the information, advice and guidance we provide. Above all we aim to create opportunities for all our students to succeed in whatever they do. We look forward to celebrating the success of every student.

We recognise that each young person is an individual and it is important that Year 11 students have information and guidance to make the right choice for them in terms of their post 16 education. For some students this may be college, for others an apprenticeship and for many, continuing their education in a school Sixth Form will be the best route to securing a successful future. If the latter is the case, we strongly believe that Central Academy Sixth Form is the best choice. With excellent exam outcomes, strong destinations data including some top universities and a fantastic enrichment offer, Central Academy is the right place for ambitious young people where they will thrive and succeed.

I look forward to seeing you at our Open Evening and hope that you will consider continuing your learning journey after Year 11 at Central Academy.

Yours faithfully

Mr Priestley

Assistant Principal, Curriculum & Education with Character
