Dear Parent/Carer

GCSE Science Live - Manchester Opera House

I am delighted to inform you that the Academy has arranged a visit to attend the GCSE Science Live at Manchester Opera House. The visit will take place on Wednesday, 5th February 2025. Students will have the opportunity to see and hear from five of Britain’s top scientists, all working at the cutting edge of their specialisms. The experienced science examiner will be able to advise top tips on examination success to help our students in their GCSE Science exam. For further details please see www.Sciencelive.org.uk.

Students are required to arrive at school for registration as normal, we will leave the academy by coach, at 7:45 am prompt, returning to school approximately 5.30 pm. We ask that students pay a voluntary contribution of £30, to cover the cost of the ticket, transport, and staffing. However, if we do not receive enough contributions, unfortunately the trip will not be able to go ahead. Students must wear full school uniform.

Students will require a packed lunch and refreshments, enough to last them throughout the day. If your child receives a free school meal, please contact the Academy where a packed lunch will be arranged.

Places will be allocated on a first come first served basis, therefore, to secure your booking we ask that voluntary contributions are received **via ParentPay no later than, Monday 6th January 2025**. Unfortunately, we are unable to offer an extension on the deadline date due to the terms and conditions with the venue. If you would like your child to attend the trip, please complete the permission slip below and return to your child’s Science teacher no later than Monday 6th January 2025.

If you have any queries, please don’t hesitate to contact me at the Academy.

Yours sincerely

Gavin Parker-Smith
Associate Assistant Principal
