Dear Parent/Carer

Performing Arts Practical Exam – Tuesday 1st December 2020

On the evening of Tuesday, 1st December your child will be completing one of their Performing Arts practical exams. This performance will be filmed in the academy theatre straight after school, so we would appreciate your help in ensuring your child is prepared on this day by bringing with them their costumes and plenty of water to keep them hydrated.

We realise holding the exam after the school day is not ideal, however, we feel this is the best solution to allow the students to still perform in the theatre and enables everyone to keep safe by socially distancing.

If you could arrange for your child to be collected at 4:45pm once their practical exam has finished.

Please do not hesitate to contact me at the academy, if you have any questions or queries:

Yours sincerely

M Cuthbert
