Dear Parent/Carer

Uniform Standards

Uniform plays an important role in creating a positive learning environment and a strong sense of community. Additionally, uniform supports in fostering pride, belonging, equality, and readiness to learn. I would like to take this opportunity to remind all families of our expectations regarding uniform. As will always be the case, students are expected to arrive each day wearing full uniform in line with the set out expectations. Consistent adherence supports a calm, and professional atmosphere across the Academy.

It is recognised that the cost of uniform can be a concern for families. If you are not aware of the recent law amendments, secondary settings are now required to keep compulsory branded uniform to a minimum in order to reduce costs for families. Within this, where a branded tie is required, **the maximum number of compulsory branded items allowed is four.**

Therefore, the four compulsory branded items are as follows:

- Academy Branded Tie
- Academy Branded Blazer
- Academy Branded Skirt
- Academy Branded Polo Shirt (PE)

I have provided additional information overleaf as to the expectations regarding all other aspects of uniform, eg appropriate footwear. Although these aspects of uniform are not branded, they are compulsory, but they can be purchased from a range of retailers. I ask that all families support the Academy by ensuring that students consistently meet these uniform standards. Where there are genuine difficulties, I encourage families to contact the Academy as soon as possible so that there can be a discussion around the available support to address the matter.

I appreciate your continued support in maintaining the standards that contribute to a positive, respectful, and successful learning environment.

Thank you for your support.

Yours sincerely

Mike McClelland

Uniform

The purpose of the Academy's uniform is to ensure that students are able to present themselves in a smart manner with a degree of commonality to ensure a sense of equality, belonging, and discipline among students while reducing any unnecessary clothing distractions. Uniform should always be worn smartly.

The majority of the required uniform can be purchased from <https://www.yourschooluniform.com/schools/index/the-morton-school-4989>

Footwear

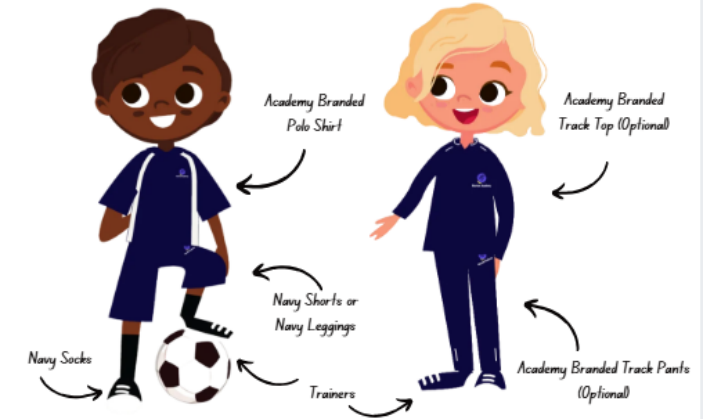

The criteria for footwear is that they must be **all black** and **all leather**. Therefore anything that resembles the footwear shown below is **not** suitable.

PE Kit

It is important to provide students with safe, comfortable clothing that allows them to participate effectively in physical activity, in which there have been careful considerations around this.
